3MP Full HD Video Recording

Designed to reflect an improved picture quality in full HD video, preventing pixilation in the video feed and allowing for a clear view of every detail.

4G Connect

Hi-Focus Camera does not even need to be installed; all you need to do is mount it, plug it in, connect to the 4G network, and you are ready to go.

Supports all Indian
Sim Cards:

Day/Night Mode

In normal lighting conditions, the camera captures color video. In low light and zero light, the camera switches to infrared night mode and captures black and white video.

Cloud Storage Support

Has the CCTV gone missing? Stay stress-free with Hi-Focus cloud storage support.

Specifications:

Product	4G IP camera
Mega Pixel	3.MP
Sensor type	1/3" CMOS Sensor
Shutter	Shutter adaptive
Lens	4MM fixed lens
Day and night conversion mode	ICR infrared filter type
IR LED	2 IR led
Digital noise reduction	3D digital noise reduction
Wide dynamic range	Digital wide dynamic
Infrared irradiation distance	30 meters
Video compression standard	H.264/H.265
Video compression rate	HD and SD two modes, bit rate adaptive
Audio encoding format	AAC/G711A
Image Resolution	Support dual stream, main stream: 2304*1296, sub stream: 640x360
Frame rate	Maximum 15 frames, self-adaptive network transmission frame rate
BLC	Support
Image flip	Support horizontal and vertical flip
Privacy masking	Support
Smart alarm	Motion detection alarm
Alarm information	Alarm information push
Storage interface	Micro SD card (maximum 256GB)
Working temperature and humidity	-20°C~50°C, humidity less than 95% (non-condensing)
Power supply	DC12V/1A
4G	FDD-LTE:B1/B3/B5/B8;TDD-LTE:B34/B39/B40/B41
Encryption	WEP, WPA, WPA2
